Misc Your Songs

Oh

Words and Music by: Jhay Ehidio

This is the second song I have composed. This song is about how one encourages the other in a relationship that s questionable in nature. This is greatly inspired by Coldplay s sound.

Chorus:

E **B7** **E**
Go listen to the perfect melodies
 B7 **E**
And throw away all the miseries
 B7 **E**
Cause somehow we ll be both together
 B7 **A**
Do all things we ll cherish forever

Refrain:

C#m **A**
Yeah...oh..oh
C#m **A** **B7**
Yeah...oh..oh..
C#m **A**
Yeah...oh..oh
C#m **A**
Yeah...oh..oh

That s all.. thank you...
