OPERATE

Words and Music: Jhay Ehidio

Verse:

**E**                    **D#m**  
You think I m scary  
                         **E**  
You think I m dumb  
                         **D#m**  
Somewhat uncanny  
                         **E**  
Born to be one  
                         **D#m**                    **E**  
Lower than anything you can see  
                         **D#m**                    **E** **D#m-E-D#m**  
Running in miles in some great degree

**E**                    **D#m**  
Nowhere to be cared for  
                         **E**  
Such conspiracy  
                         **D#m**                    **E**  
Life that s under what s ordinary  
                         **D#m**                    **E**  
Coming too early in putting to shame  
                         **D#m**                    **E** **D#m-E-D#m**  
Trapped in some woody and dead misclaim

Chorus:

**E**                    **D#m**  
You see it cool  
                         **E**  
You see it in  
                         **D#m**                    **E**  
I live for everyone in this train  
                         **D#m**  
All for the better  
                         **E**  
All for the good  
                         **D#m**                    **E**                    **D#m**  
I live for everyone in this world

Verse:

**E** **D#m**  
Love me or hate me  
**E**  
I ain t be stopped  
**D#m**  
Halfway it can t be  
**E**  
So all will be loved  
**D#m** **E**  
I d be going strong in this industry  
**D#m** **E-D#m-E-D#m**  
I live for every he and she

Chorus:

**E** **D#m**  
You see it cool  
**E**  
You see it in  
**D#m** **E**  
I live for everyone in this train  
**D#m**  
All for the better  
**E**  
All for the good  
**D#m** **E**  
I live for everyone in this world
