By: Maker

Intro  
**Em, Dsus2, A7sus4, C9, G/B x2**

Verse 1

**Em**                    **Dsus2**  
Brother man its dark in here  
          **A7sus4**    **C9**            **G/B**  
And i cant find me a way out  
**Em**                    **Dsus2**  
Mother can you lend an ear  
          **A7sus4**            **C9**            **G/B**  
Cus somebody s gotta figure me out  
      **Em**                    **Dsus2**  
Im all alone, just sittin here  
          **A7sus4**    **C9**    **G/B**  
I could do with some company  
      **Em**                    **Dsus2**  
I dont blame you for keepin clear  
          **A7sus4**            **C9**            **G/B**  
Cus even i dont wanna be with me

Chorus

**Am**    **Em**                            **Dsus2 Dsus4 Dsus2**  
And i no longer wanna live forever  
      **Am**            **Em**            **Dsus2 Dsus4 Dsus2**  
In a life that dont want me  
      **Am**    **Em**                            **Dsus2 Dsus4 Dsus2**  
And i no longer wanna feel the pleasure  
      **Am**            **Em**            **Dsus2 Dsus4 Dsus2**  
Of a world thats cruel to me

Verse 2

Brother please dont disown me  
Cus i was born a tortured soul  
A man too old to breath at 17  
My mind had grown old

Chorus

And i no longer wanna live forever  
In a life that dont want me  
And i no longer wanna feel the pleasure  
Of a world thats cruel to me

I said i no longer wanna live forever

I said i no longer wanna live forever  
I said i no longer wanna live forever  
i said i, i said i, oh i said i
