When the clouds come and turn all our

Hopes into gray

Cease to travel so near

And become those clouds

That darken our day

[Verse 2]

**G** **D**  
I guess we could spend  
**F#7** **Bm7**  
Our nights and our days going  
**G** **D**  
Over who seems wrong  
**E7** **A7**  
And who seems so right

**Bbdim** **Bm7** **A/C#** **D**  
With the most polished reasons  
**F#7** **Bm7**  
And treaties and treasons  
**G** **D**  
We sail to our shores  
**A** **Bm7** **A/C#** **D**  
Ships that passed in the night

[Solo]

**D** **A/C#** **Bm7** **D/A**  
**G** **A** **Bbdim** **Bm** **E7**  
**G** **A** **Bm7** **A/C#** **D**

[Verse 3]

**G** **D**  
Today to a friend  
**F#7** **Bm7**  
I was untrue  
**G** **D**  
And I couldn't help but to  
**E7** **A7**  
Think back to you

**G** **D** **A** **Bbdim** **Bm7**  
It seems that you and me are more the same than we would like to agree  
**E7** **Bm7**  
The sinner in you  
**A** **Bm7** **A/C#** **D**  
Has found the sinner in me

[Chorus 2]

**D** **A/C#** **Bm7** **D/A**  
I wish I could I could say I know why I did it  
**G** **F#m7** **Em7** **A**  
I wish that I could say that it never crossed my mind  
**D** **A/C#** **Bm7** **D/A**  
For each and everything hurtful that I said and I did,  
**G** **A** **Bbdim** **Bm** **E7**  
The light in me is so much harder to find,  
**G** **A** **Bbdim** **Bm** **E7**  
The light in me is harder to find.  
**G** **A** **Bm7** **A/C#** **D**

Sometimes the light inside of us is so hard to find.
