

Mlking - Not A Bad Man  
Misc Your Songs

[Intro]

Am Dm Em x2

[Verse 1]

Am Dm  
all my life, i walked in rain  
Am Dm  
floated in oceans, never drifted away  
Am Em Am Dm  
experienced, betrayals, poorness and jail  
Am Em Am  
and standed tall as tall as a man can stay

[Chorus]

Dm Am  
a lot of corners along the way  
Dm Am  
a lot of choices i could have made  
Dm  
allways made the best of it, meanwhile,..  
Am Dm  
wondering wherefrom i deserved this shit, meanwhile,...  
Em Am Dm  
i know i come with faults and all  
Am  
but i am not a bad man after all

[Verse 2]

Am Dm  
things need to fall exactly in place  
Am Dm  
to experience luck along the way  
Em Am Dm  
born under a bad sign that s what they say  
Am  
i allways refused to believe in this cloud of grey

[Chorus]

Dm Em  
a lot of corners along the way  
Dm Em  
a lot of choices i could have made  
Am Dm  
allways made the best of it, meanwhile,..  
Am Dm  
wondering wherefrom i deserved this shit, meanwhile,...  
Em Am Dm

i know i come with faults and all
