

Noah Vr - Please Breathe  
Misc Your Songs

[Intro]

**Em** **G** **D**  
can you please just do something for me  
**Em** **G** **D**  
you re in a place I don t want you to be in  
**Cadd9** **Em**  
our time is running thin  
**Em** **D**  
out time is running thin

[Verse]

**Em** **G**  
It will all be alright  
**Em** **G**  
no matter how small the light  
**Cadd9** **D**  
just hold on to me if you need to  
**Cadd9** **G**  
this is something we can together get through

[Chorus]

**Em**  
please breathe,  
**Em** **G**  
please breathe,  
**G** **D**  
grab the little hope left beneath  
**Em**  
I am here for you  
**G**  
in my gear for you  
**Cadd9** **G** **D**  
I will never ever give more fear to you  
**Em**  
my friend

[Verse]

**Em** **G**  
Remember when we used to play pretend  
**Em** **G**  
I know this what we have will never end  
**Cadd9** **D** **G**  
you know I am always your best friend  
**D** **G** **D**  
don t let your eyes get dark  
**D** **G** **Cadd9**  
don t leave my side it s turning black

**Em**

Panic attack.

**Am**

Panic attack.

I love you don t worry

**Em**

you re not alone

**Am Em**

not on your own

[Verse]

**Em D**

I love you, you know

**Em Cadd9 G**

I will let you go

**Em D**

you can do this yourself

**D Em**

I can t help you my little self

**G D**

just inhale and exhale

**Am Em**

and please don t bail on me

**G**

I need you.

**Em**

I need you

**G**

I need you here

**D**

I need you here

**G**

I need you here

**D Cadd9**

I need you here with me

please breathe,

**Em G**

please breathe,

**G D**

grab the little hope left beneath

**Em**

I am here for you

**G**

in my gear for you

**Cadd9 G D**

I will never ever give fear to you

[Outro]

**Cadd9**

Have you ever seen the lights

**Cadd9**

of New york at silent nights

**G D**

or have you ever found true love and what it feels like

**Cadd9**

or have you ever seen seen the artist you like the most

**G D**

and seeing the letter of you in the post

**C**

If you haven t stay here

**G**

It s not done your cheer

**E7**

so please listen to me now

**Am7**

So than will know how

**D**

it would feel

[Outro]

**G**

now it s time for you to heal.
