

Perceptive Deceptions

Misc Your Songs

Vladmir Vonsputin

This song I wrote on my own, so um, if you have a comment, please say, even though i wont listen, and this song represents all you people out there. Listen in mofos.

It s an instrumental using standard tunings.

D **D** **E** **E** **A** **A**
If you listen closely, you can hear. The whisperer,

D **D** **F** **F** **A** **A**
starting your fear. If listen closely, you can sense

G **G** **G** **G** **D** **E**
your hate, starting to intense. If you read closely

A **D** **F** **A** **G**
you can see the truth, SCREAAAAAAAAAAAAAAAAAMMMMMMM.

That is the begining of my song, i am not quite done with it yet, but I am working on it still.
