Misc Your Songs

Reflections

Em

When I think about you

I just can't wait for you to get back here

I don't know how to

Tell you what you want to hear

A

The truth is round

Em

With reflections that never seem the same (it's reflections?)

A

Memories found

Em

Tell different stories in a different frame

C

Bm

I hope I this time get it right

Em

You are so able

To get the best life out of me

With you I'm stable

And that is all I want to be
