Misc Your Songs

{Verse 1}

Dm7 **Gm7**
Ever since I was young I went to the wrong school
Dm7 **Gm7**
I was taught fake history and how to obey the rules
Dm7 **Gm7**
when I didn't tow the line I was punished so severe
Dm7 **Gm7**
they bashed me to a robotic state and filled me full of fear

{Chorus}

Am
Now I'm everybody's fool, I'm everybody's fool
Em
and they're laughing at me, they will soon be laughing at you
Am
I went to the wrong school and was taught the wrong rules
Em
now I'm everybody's fool

{Verse 2}

Dm7 **Gm7**
Reaching adolescence you got me so confused
Dm7 **Gm7**
you taught me sexuality and how to be amused
Dm7 **Gm7**
you tried to make it look like you had opened up my mind
Dm7 **Gm7**
when all you really wanted was my sex to be defined

{Chorus}

Am
Now I'm everybody's fool, I'm everybody's fool
Em
and they're laughing at me, they will soon be laughing at you
Am
I went to the wrong school and was taught the wrong rules
Em
now I'm everybody's fool
