

Ray Porter - Icicles

Misc Your Songs

[Verse 1]

**E** **G#**  
Cold icy lips so far and distant from me now, you change but sometimes stay the same  
**A** **E**  
even icicles melt on a warm summer day  
**E** **G#**  
I am cold I am weary underneath the April snow as it falls like tender drops of melting gold  
**A** **E**  
even icicles melt on a warm summer day

[Chorus]

**A** **B** **C#** **A** **B** **C#**  
But I know the difference between you and I, and I have no secrets to hold, to hold

[Verse 2]

**E** **G#**  
Even drops of rain fall like silver on a mountain top  
**A** **E**  
and even moons rise and fall on a warm summer day  
**E** **G#**  
I may be as strong as lift a giant from it s footsteps  
**A** **E**  
cus even giants fall when they grow to tall

[Chorus]

**A** **B** **C#** **A** **B** **C#**  
But I know the difference between you and I and I have no secrets to hold, to hold

[Outro]

**A** **B** **C#** **A** **B** **C#**  
Cold icicles are melting everyday, and even popsicle mountains shall fall away  
**A** **B** **C#** **A** **B** **C#**  
even icicles melt on a warm summer day, even icicles melt on a warm summer day
