

Ray Porter - Trees

Misc Your Songs

[Verse 1]

Em Am Em Am E F C Am
Grown by the sun, nurtured by rain, upon this world we need them to remain
Em Am Em Am E F C
Am
our oldest friends, the forest was our home, Now we burn them down for cows to
roam

[Chorus]

G Gm F G F
Trees, beautiful trees, they chop them down with such ease
F G Gm C Am
they don t want to become fields of green they just want to help us breath

[Middle 8]

Gbm Dbm Gbm Dbm Gbm Dbm Gbm
Trees, should be blowing in the breeze, trees should be blowing oh so free

[Verse 2]

Em AM Em Am E F C
Am
Home to the birds, shelter to the forest floor, their roots hold the world so
tight
Em Am Em Am E F
C Am
each ring reveals the passing of their years while raindrops shows the passing
of their tears

[Chorus]

G Gm F G F
Trees, beautiful trees, they chop them down with such ease
F G Gm C Am
they don t want to become fields of green they just want to help us breath
C Am C Am
trees, trees trees.
