 G D
Please girl, dry your tears on my shoulder
Dsus2
Don't cry anymore
 Cmaj7
It makes me cry when I see you much worse than me

Chorus:

G
You know that I can't survive without you
 D
You know that I love you
 Dsus2
You know that I need to see you
 Cmaj7
You know that I can't survive without you
and sometimes life goes on

Verse 2: (chords same as 1st verse)

You're just a girl that cried on my shoulder
I remember it so clear
Please girl, don't cry those tears anymore

Sadder days are here to stay
I'll be sure to still love you
Even when the world hurts like you, like you
