

**Ryan Russell - Anesthesia**  
**Misc Your Songs**

[Verse 1]

**D#m**                    **A#m**                    **D#m**                    **A#m**                    **D#m**                    **A#m**  
**C# B**                    **A#**

Oh, it s like pulling teeth. A carpet swept out from beneath. A slow sure death  
for me, oh, it s you.

**D#m**                    **A#m**                    **D#m**                    **A#m**                    **D#m**                    **A#m**  
**C# B**                    **B/A#**

Oh, it s like you shot me. Blood pooling around my feet. A slow sure death for  
me, oh, I m numb and out of it,

**A#**  
can t you see.

[Chorus]

**D#**                    **B**                    **C#**                    **F#**  
Oh, I m laying here without anesthesia...  
**D#**                    **B**                    **C# F#**  
Oh, I m in pain, yet you push me down again...  
**D#**                    **B**                    **C# F#**  
Oh, I m in surgery, adrenaline s rushing through me...  
**D#**                    **B**                    **C# F#**  
Oh, I m laying here without anesthesia...

[Verse 2]

**D#m**                    **A#m**                    **D#m**                    **A#m**                    **D#m**                    **A#m**  
**C# B**                    **A#**

Want you to put me down. Make it deep enough for me to drown. Oh, going down,  
down, down, down, oh, it s you.

[Chorus]

**D#**                    **B**                    **C#**                    **F#**  
Oh, I m laying here without anesthesia...  
**D#**                    **B**                    **C# F#**  
Oh, I m in pain, yet you push me down again...  
**D#**                    **B**                    **C# F#**  
Oh, I m in surgery, adrenaline s rushing through me...  
**D#**                    **B**                    **C# F#**  
Oh, I m laying here without anesthesia...

[Verse 1]

**D#m**                    **A#m**                    **D#m**                    **A#m**                    **D#m**                    **A#m**  
**C# B**                    **A#**

Oh, it s like pulling teeth. A carpet swept out from beneath. A slow sure death  
for me, oh, it s you.

**D#m**                    **A#m**                    **D#m**                    **A#m**                    **D#m**                    **A#m**  
**C# B**                    **B/A#**

Oh, it s like you shot me. Blood pooling around my feet. A slow sure death for  
me, oh, I m numb and out of it,

**A#**

can t you see.

[Chorus]

**D#                    B                    C#                    F#**

Oh, I m laying here without anesthesia...

**D#                    B                    C#                    F#**

Oh, I m in pain, yet you push me down again...

**D#                    B                    C#                    F#**

Oh, I m in surgery, adrenaline s rushing through me...

**D#                    B                    C#                    F#**

Oh, I m laying here without anesthesia...
