**Ryan Russell - At Night**
**Misc Your Songs**

[Verse 1]
```
C              G                          Em                      F                    C
      G
Tough lungs I could have won, so I run and run to the beat of the drum until I m
worn out. Yeah I am proud.
Em            Am           C                 G                          Em
    F           C
No, no, no, not right now. Running alive I start to cry, so now I m my, now I m
my worst enemy until the sun
              G                     Em               Am
comes up. Yeah, I am proud. No, no, no, not right now; no.
```

[Pre-Chorus]
```
F           G          Am              C
Still I run all night like I m losing time   x 2
```

[Chorus]
```
F                    Am      G           C        F                     Am
      G
 Coz I saw you last night. You were in the shadows. Then you disappeared out of
sight, guess you re not fond
     C        F       Am          G                    C
of sunlight. I raced back to bed, my eyes were open all night.
```

[Verse 2]
```
C         G                          Em                    Am
I ran for miles, my legs couldn t take it no more, yeah, I need some more.
```

[Pre-Chorus]
```
F           G          Am              C
Still I run all night like I m losing time   x 2
```

[Chorus]
```
F                    Am      G           C        F                     Am
      G
 Coz I saw you last night. You were in the shadows. Then you disappeared out of
sight, guess you re not fond
     C        F       Am          G                    C
of sunlight. I raced back to bed, my eyes were open all night.
```

[Verse 1]
```
C              G
Tough lungs I could have won.
```
