

Ryan Russell - My Storm  
Misc Your Songs

[Verse 1]

**E** **Am** **E** **Am** **E**  
No, I can't wait for the storm to end. While you just wait it out. We can't be  
more than friends, this  
**Am** **C**  
weather defends us.

[Pre-Chorus]

**F** **C** **G** **F**  
We're falling. Dropping down. Temperature's dropping down.

[Chorus]

**C** **G** **Am F C G** **Am** **F** **C**  
**G Am F C G Am**  
Wait for the lightning to end. For now until then we will wait here frozen. For  
now until then. For now until  
**F** **C** **G** **Am** **F**  
then, we ain't got nothing until now we're nothing more than friends.

[Verse 2]

**E** **Am** **E** **Am**  
Shallow waters betray our dignity. It's too cold out, come sit with me.

[Pre-Chorus]

**F** **C** **G** **F**  
We're falling. Dropping down. Temperature's dropping down.

[Chorus]

**C** **G** **Am F C G** **Am** **F** **C**  
**G Am F C G Am**  
Wait for the lightning to end. For now until then we will wait here frozen. For  
now until then. For now until  
**F** **C** **G** **Am** **F**  
then, we ain't got nothing until now we're nothing more than friends.

[Pre-Chorus]

**F** **C** **G** **F**  
We're falling. Dropping down. Temperature's dropping down.

[Chorus]

**C** **G** **Am F C G** **Am** **F** **C**  
**G Am F C G Am**  
Wait for the lightning to end. For now until then we will wait here frozen. For  
now until then. For now until  
**F** **C** **G** **Am** **F**  
then, we ain't got nothing until now we're nothing more than friends.
