

Ryan Russell - Survive The Fall  
Misc Your Songs

[Verse 1]

Em                    A                    B            Em            A                    A                    Em  
                  G                    A

I breathe in, you take my breath away. I try to settle in but I ran away. It s  
like the runt of the litter,

                  G  
that s where I lay.

[Pre-Chorus]

Em                    G                    Em                    G            A  
But I m a strong one, I got strong bones. Yeah, I m a strong one, no one knows.

[Chorus]

                  Em G A                    Em G A            E                    G  
E                    G  
I live for survival. I live for survival. Like a small bird I can make the jump.  
Like a small bird I can make  
                  Em G A  
the jump. Coz I m a survivor.

[Verse 2]

Em                    A                    B            Em                    A                    B  
I breathe out, you step away. I managed to run away but I came back the next  
day.

[Pre-Chorus]

Em                    G                    Em                    G            A  
But I m a strong one, I got strong bones. Yeah, I m a strong one, no one knows.

[Chorus]

                  Em G A                    Em G A            E                    G  
E                    G  
I live for survival. I live for survival. Like a small bird I can make the jump.  
Like a small bird I can make  
                  Em G A  
the jump. Coz I m a survivor.

[Verse 1]

Em                    A                    B            Em                    A                    A                    Em  
                  G                    A

I breathe in, you take my breath away. I try to settle in but I ran away. It s  
like the runt of the litter,

                  G  
that s where I lay.
