

Ryan Russell - Tame The Beast  
Misc Your Songs

[Verse 1]

**G#m** **F#** **D#m** **E** **G#m** **F#**  
**D#m**

What did you think would happen when you tamed the beast. You think you re  
legendary but you re just headed

**E** **G#m** **F#** **D#m**

**E**

down. Running your mouth like you won this fight but you re the one without the  
light now.

[Pre-Chorus]

**C#m** **F#** **D#m** **E**

You didn t see it, you didn t see it. You didn t see it going down.

[Chorus]

**B** **G#m** **D#m** **E** **B** **G#m**  
**D#m**

Why d you try to help yourself today, you know you can t get away. You never  
listen to what I have to say,

**E** **B** **G#m** **D#m** **E**  
**B**

playing your own game. I want to run into the fields where nothing feels so  
surreal. I want to fly a little

**G#m** **D#m** **E** **G#m**

over the top so I don t have to feel this anymore.

[Verse 2]

**G#m** **F#** **D#m** **E**

Now you re standing around like you helped somehow, yet your hands are in your  
pockets.

[Pre-Chorus]

**C#m** **F#** **D#m** **E**

You didn t see it, you didn t see it. You didn t see it going down.

[Chorus]

**B** **G#m** **D#m** **E** **B** **G#m**  
**D#m**

Why d you try to help yourself today, you know you can t get away. You never  
listen to what I have to say,

**E** **B** **G#m** **D#m** **E**  
**B**

playing your own game. I want to run into the fields where nothing feels so  
surreal. I want to fly a little

**G#m** **D#m** **E** **G#m**

over the top so I don t have to feel this anymore.

[Pre-Chorus]

**C#m**                      **F#**                      **D#m**                      **E**  
You didn't see it, you didn't see it. You didn't see it going down.

[Chorus]

**B**                      **G#m**      **D#m**                      **E**                      **B**      **G#m**  
                         **D#m**

Why'd you try to help yourself today, you know you can't get away. You never  
listen to what I have to say,

**E**    **B**                      **G#m**                      **D#m**                      **E**  
   **B**

playing your own game. I want to run into the fields where nothing feels so  
surreal. I want to fly a little

**G#m**              **D#m**              **E**    **G#m**  
over the top so I don't have to feel this anymore.
