Misc Your Songs

[Verse 1]

It s the end of the world and I m all alone. No one to cry to and it s buiding
up.

It s the end of the world and it s so cold. Nothing to warm my body, make me
feel like I m home.

[Pre-Chorus]

Fingertips are freezing and I m all numb.

What is this world to become.

[Chorus]

Until you re around, you had the world upside down.

You warmed up my soul until I was mellow.

You warmed up my sould until I was home.
