

Ryan Russell - What You Do To Me
Misc Your Songs

[Verse 1]

G **D** **F** **C**
My chest aches, deep breaths, anticipate the worst that s at stake.
G **D** **F** **C**
Crying at night, putting up a fight, my heart starts to erase all that pain.

[Pre-Chorus]

Am **Em** **Am** **Em**
When I think about how much I try and how long it takes you to realise.
Am **Em** **D**
When I think about how long I ve been so strong but now I m weak.

[Chorus]

C **G** **Em** **D**
My throat swells up and I can t breathe, something about what you do to me.
C **G** **Em** **D**
So deep down, my soul hurts now, yet somehow I let you do this to me.
C **Em** **G** **Em**
How can I run and go nowhere. I cant feel why I m even here.
C **G** **Em** **D**
My throat swells up and I can t breathe, something about what you do to me.

[Verse 2]

G **D** **F** **C**
The soles of my feet, they cannot take this weight, I can barely stand up
straight.
G **D** **F** **C**
My body now weak from the stress of this feat, can I last one more week.

[Pre-Chorus]

Am **Em** **Am** **Em**
When I think about how much I try and how long it takes you to realise.
Am **Em** **D**
When I think about how long I ve been so strong but now I m weak.

[Chorus]

C **G** **Em** **D**
My throat swells up and I can t breathe, something about what you do to me.
C **G** **Em** **D**
So deep down, my soul hurts now, yet somehow I let you do this to me.
C **Em** **G** **Em**
How can I run and go nowhere. I cant feel why I m even here.
C **G** **Em** **D**
My throat swells up and I can t breathe, something about what you do to me.

[Chorus]

C **G** **Em** **D**

My throat swells up and I can t breathe, something about what you do to me.

C **G** **Em** **D**

So deep down, my soul hurts now, yet somehow I let you do this to me.

C **Em** **G** **Em**

How can I run and go nowhere. I cant feel why I m even here.

C **G** **Em** **D**

My throat swells up and I can t breathe, something about what you do to me.
