

Ryan Russell - Whats To Be Missed  
Misc Your Songs

[Verse 1]

**Bm7**                    **F#7**                    **G7**                    **A7**                    **Bm7**  
**F#7**    **G7**

My hair s a mess but it s you I did not want to miss. So, I took a chance and  
you let me down, pushed me to

**A7**  
the ground.

[Pre-Chorus]

**B7**                                    **F#m7**                                    **G7**                                    **A7**  
Just one more time, what am I doing. I m hurting myself. I m hurting now.

[Chorus]

**F#m7**                    **Bm7**                                    **Em7**                                    **Bm7**    **F#m7**                                    **Bm7**  
**Em7**                                    **Bm7**

Stay with me, don t you know that the sea is too deep. Pulled out by the tides  
and sucked down by the rips.

**F#m**                    **Bm7**                                    **Em7**                                    **Bm7**  
You were the one but you sank to the bottom and now you re all gone.

[Verse 2]

**Bm7**                    **F#m7**                                    **G7**                                    **A7**  
**Bm7**

Don t stress about it. It was never going to work, it either fit or it don t.  
Our pieces were thrown across

**F#m7**                    **G7**                                    **A7**  
the room, so put me back together like you said you would and...

[Chorus]

**F#m7**                    **Bm7**                                    **Em7**                                    **Bm7**    **F#m7**                                    **Bm7**  
**Em7**                                    **Bm7**

Stay with me, don t you know that the sea is too deep. Pulled out by the tides  
and sucked down by the rips.

**F#m**                    **Bm7**                                    **Em7**                                    **Bm7**  
You were the one but you sank to the bottom and now you re all gone.

[Chorus]

**F#m7**                    **Bm7**                                    **Em7**                                    **Bm7**    **F#m7**                                    **Bm7**  
**Em7**                                    **Bm7**

Stay with me, don t you know that the sea is too deep. Pulled out by the tides  
and sucked down by the rips.

**F#m**                    **Bm7**                                    **Em7**                                    **Bm7**  
You were the one but you sank to the bottom and now you re all gone.
