Tiff Sullivan - Little Girl
Misc Your Songs
[Intro]
Am F C G x2
[Verse 1]
Am F
Little girl,
             Em
She s 6 years old
She doesn t know
           Em
What s going on
[Pre Chorus 1]
Am F
It s been two years now,
                   Em
and she still hasn t seen your face
               C
                      Em
Have you forgotten her?
[Chorus]
Am Em
Take a step back,
Try to tell me it s not hurting her.
            Em F
She s trying her best,
                G
                                Am
But she fears that it s not good enough
F C G
[Verse 2]
Am F
Young girl
           Em
She s getting older,
                                 \mathbf{Em}
All she wants is to make her father proud.
[Pre Chorus 2]
Am F C
She s 15 now
                Em
                              Am
And she feels the pressure even more...
           F C Em
```

Have you forgotten it hurts? [Chorus] Take a step back, Am Try to tell me it s not hurting her. Em She s trying her best, Αm But she fears that it s not good enough F C G [Bridge] Am F C G She s no longer afraid, Am F C G You can try but she won t break. G F She s fought her battles on her own It s time she let it go, she s better off alone [Outro] Em Take a step back And you ll see that she s thriving now Em It took her a little while G Am Now she sees that she is good enough F C G Am
