[Verse 1]

Gsus2 Em7
Thereâ€™s a place down in Tennessee
Cmaj7 D Dsus4
Where country music dreams are made to be
Gsus2 Em7
But, Baby, right here is where you are
Cmaj7 D Dsus4
I can still write my songs and play all the bars
Gsus2 Em7
Cuz without you I ainâ€™t got nothing
Cmaj7 D
So come here, girl, I gotta tell the world somethingâ€¦

[Chorus]

G D
Sheâ€™s the One in all the songs I sing
Am C
Sheâ€™s the One I want wearing that ring
G D
Without her Iâ€™d be singing a sad song
Am C
Out there on the road wishing she was along
G D
When the night ends, sheâ€™s where I want to be
Am C
Not out there running wild and crazy
G D
When sheâ€™s the One you got to tell her so,
Am C Gsus2
Man, if sheâ€™s the One you make sure she knows sheâ€™s the Oneâ€¦â€¦
