She is so beautiful x4

(same chords as verse 1)

(**C#m C#7sus4 C#m C#sus2** etc, with **G#** on the end)

What started as a private life is no more than a show
Libidos in a Speedo as the good times start to go
Take me back through history so I can re-arrange
The details of your meeting itâ€™s the only way Iâ€™ll change
Wrestling with my angel all throughout the night
He couldnâ€™t defeat my will and so he told me I was right
Show me my subconscious as you know I gotta find
The balance of my spirits and the essence of my mind

Aadd9 F#11

Luck donâ€™t last forever

You know that this ainâ€™t right

You do not deserve her

So why dâ€™you hold her tight?

If I could stop this somehow

Iâ€™d pray for good advice

But I guess Iâ€™m just a lonely man

Better go think twice

C#m B A G#

She is so beautiful x4

Aadd9 Badd11

You thought she was an angel

Aadd9 Badd11

God chose her from above

Aadd9 Badd11

And planted her right next to you

Aadd9 Badd11

Itâ€™s a mirage of love

Aadd9 Badd11

But when she breaks a mirror

Aadd9 **Badd11**

You can break up as good friends

Aadd9 **Badd11**

Just donâ€™t tell your wife and kids

Aadd9 **Badd11**

The cycle starts again

C#m B A G#

Just a mirage of love (x4)

Itâ€™s a mirage of love (x4)

End on C#m
