[Verse 1]

Gm

All thatâ€™s between us and the sky

Dm **Gm Dm**
 Fogged glass and dusty blinds
Gm **Dm**
 So I scrawled your name then mine
Cm Gm Dm
 Just to see them side by side
Gm **Dm**
 Your boss is pullin' out his hair
Gm **Dm**
 If he only knew why you're not there
Gm **Dm** **Cm Gm**
 Bells and hammers break the waking day
Dm **D# Dm Cm**
 As sobriety carries its chains

[Chorus]

Cm **A#**
 And you look into my eyes
Dm **Gm**
 And say you're through with that disguise
Cm **Gm** **Dm**
 As it's strewn beside your bed
Dm **Gm**
 You vow to never pull it on again
Cm
 I thought I'd be a hermit forever
Dm **Cm** **Dm**
 Can it still be so as long as we are together?

[Verse 2]

Gm
 You're like fire to pine
Dm **Gm** **Dm**
 All the worlds behind those eyes
Gm **Dm**
 As clocks quake and crumble into piles
Cm A# **A**
 Think we're the only ones left alive
Gm **Dm**
 All rules seem strange and false
Gm **Dm**
 Each hour gone, out there seems more wrong
Gm **Dm**
 I'm afraid we've been inside for days
Cm A# **Dm** **Dm C A#**
 And I fear sobriety awaits

[Chorus]

Cm **A#** **Dm** **Gm**
 As I look into your eyes, I wonder when we last dined
Cm **Gm**

All engagements we never made

Dm

Just threw them away with one embrace

Cm A# Dm

All these rules that somehow passed

Gm Cm

Are but cracks in the window glass

Gm Dm

A kiss set off the drunk of three nights

Dm

So savor these firework shards while they fly

Gm

All these firework shards while they fly

Cm

I thought Iâ€™d be a hermit forever

Dm Cm Dm

Can it still be so as long as we are together?

Gm Cm

I thought Iâ€™d be a hermit forever

Dm Cm

Can it still be so as long as we are together?
