

## One Tree

### Mishka

**Em**                **G**                **D**                **C**  
Na, na, na, na, na, na, na, na

**Em**                **G**                **D**                **C**  
Na, na, na, na, na, na, na, na

**Em**                **G**                **D**                **C**  
We are from Africa, Europe and Asia,

**Em**                                **G**        **D**                **C**  
North and South America and Australia

**Em**                **G**                **D**                                **C**  
From all the islands, from all the seas

**Em**                **G**                **D**                **C**  
The roots and branches of one tree

**Em**                **G**                **D**                **C**                **C**  
The roots and branches of one tree

**Am**  
Yeah, we may have different colors of skin

**Am**  
But there s one blood flowing within

**C**                                                **Am**  
Mystic optimistic, we are all children

**C**                                                **Am**  
Mystic optimistic, we are all children

**Em**                **G**                **D**                **C**  
We are from Africa, Europe and Asia,

**Em**                                **G**        **D**                **C**  
North and South America and Australia

**Em**                **G**                **D**                                **C**  
From all the islands, from all the seas

**Em**                **G**                **D**                **C**  
The roots and branches of one tree

**Em**                **G**                **D**                **C**                **C**  
The roots and branches of one tree

**Am**  
Different cultures and religions,

**Am**  
Out of one source we all are breathing

**C**                                                **Am**  
Mystic optimistic, we are all children

**C**                                                **Am**  
Mystic optimistic, we are all children

**Em**                    **G**                **D**                **C**  
 We are from Africa, Europe and Asia,  
**Em**                    **G**                **D**                **C**  
 North and South America and Australia  
**Em**                    **G**                **D**                **C**  
 From all the islands, from all the seas  
**Em**                    **G**                **D**                **C**  
 The roots and branches of one tree  
**Em**                    **G**                **D**                **C**                **C**  
 The roots and branches of one tree

**Bm**                    **G**    **Am**  
 Like the Rock of Ages  
**Bm**                    **G**    **Am**  
 Like a new born child  
**Bm**                    **G**                **Am**  
 I m like the written pages  
**Bm**                    **G**    **Am**  
 Oh like the call of the wild

**Em**                    **G**                **D**                **C**  
 Na, na, na, na, na, na, Na, Na  
**Em**                    **G**                **D**                **C**  
 Na, na, Na, Na, Na, Na, Na, Na

**Em**                    **G**                **D**                **C**  
 We are from Africa, Europe and Asia,  
**Em**                    **G**                **D**                **C**  
 North and South America and Australia  
**Em**                    **G**                **D**                **C**  
 From all the islands, from all the seas  
**Em**                    **G**                **D**                **C**  
 The roots and branches of one tree yeah

**Em**                    **G**                **D**                **C**  
 Speak the truth, give the people justice  
**Em**                    **G**                **D**                **C**  
 For the youth keep upcoming  
**Em**                    **G**                **D**                **C**  
 An eye for an eye, them only causing blindness  
**Em**                    **G**                                **D**                                **C**  
 A tooth for a tooth. And we re loosing consciousness

**Em**                    **G**                **D**                **C**  
 The roots and branches of one tree yeah  
**Em**                    **G**                **D**                **C**  
 The roots and branches of one tree yeah  
**Em**                    **G**                **D**                **C**  
 Na, na, na, na, na, na, Na, Na  
**Em**                    **G**                **D**                **C**  
 Na, na, Na, Na, Na, Na, Na, Na  
**Em**                    **G**                **D**                **C**  
 Na, na, na, na, na, na, Na, Na
