

Still Got Love  
Mishka

Intro: D Em C D G

D Em  
You left me there on the cold cold street  
C D G  
And I still got the love for you, babe  
D Em  
Told me stories that were incomplete  
C D G  
And I still got the love for you, babe  
D Em  
I take a walk on my own to feel,  
C D G  
That s the best thing I can do, yeah  
D Em  
Cause when we re cool it always bring the heat  
C D G G  
And you know there s nothing new, babe

Am C G  
When we re falling gonna fall like rain  
Am C G  
In this fire gonna touch the flame  
Am C G  
When we re standing got to withstand pain  
Am C G G  
When we re leaving gotta catch this train

D Em  
You gave me sorrows and regrets  
C D G  
And I still got the love for you, babe  
D Em  
You tried to catch me with your net  
C D G  
But somehow I slipped through, yeah  
D Em  
To watch the golden sunrise, sunset  
C D G  
But all day long it s blue, babe  
D Em  
Don t speak of truth and then forget  
C D G G  
Cause you just won t have a clue, babe

Am C G  
When we re falling gonna fall like rain

**Am**                    **C**                    **G**  
In this fire gonna touch the flame  
**Am**                    **C**                    **G**  
When we re standing got to withstand pain  
**Am**                    **C**                    **G**                    **G**  
When we re leaving gotta catch this train

**Bm**                    **Em** **Bm**                    **Em**  
You are the one, set my soul on fire  
**Bm**                    **Em** **Bm**                    **Em**  
You are the one, left me out in the cold

**Am**                    **C**                    **G**  
And now the world is falling and you, start to cry  
**Am**                    **C**                    **G**  
Yeah now your world is falling and your well is dry

**Am**                    **C**                    **G**  
When we re falling gonna fall like rain  
**Am**                    **C**                    **G**  
In this fire gonna touch the flame  
**Am**                    **C**                    **G**  
When we re standing got to withstand pain  
**Am**                    **C**                    **G**                    **G**  
When we re leaving gotta catch this train  
catch this train  
catch this train

**Am**                    **C**                    **G**  
own own own ooown oown own  
**Am**                    **C**                    **G**  
oh oh oh oohh oooh ohh  
**Am**                    **C**                    **G**  
yeah yeah yeah yeeeeeah yeeah yeah  
**Am**                    **C**                    **G**  
oohuo oh oohuo oh  
**Am**                    **C**                    **G**  
yeeeeeah yeah yeah yeah yeah yeah? yeah!
