Baby I ve been talking to you.  
but no matter what I said it seems,  
I can never get through to you.  
No matter what I said it seems,  
so hard to reach you.  
But I keep calling to you yeah.  
I hope that you hear,  
cos I m trying to make it clear yeah.

(2X)  
I ll always be there,  
when the rain comes down,  
and I really wanna see you,  
when you come around.

oh feeling cool,  
in the afternoon,  
felt alright to know that I might,  
see you soon.  
It was so nice when I,  
saw you smile again.  
Stopped for a while then I,  
got to go away again.

You know

(2X)

I ll always be there  
when the rain comes down,  
and I d really love to see you,  
when you come around.

for such a long time,  
but it seems that every time I call,  
you don t want to see the I around,

when the rain comes down,  
and I d really love to see you,  
when you come around.
