Spaceship Miss Li No capo Intro: Em Have you heard the news today? Just like a fix, she s floating through his vains. Have you heard the news today? Like a tumor, she spread to his brain. Living isn t easy, she s gonna mess this up completely, and no one can hold you down! C \mathbf{Em} We can build a spaceship and fly away. We can start all over, somewhere else. We can build a spaceship, come with me. We can start all over, Close your eyes and follow me. We can build a spaceship and fly away. We can start all over, somewhere else. We can build a spaceship, come with me, and if earth is calling, Close your eyes and let it be. Em So, have you heard to news today? If you listen closely, you ll hear his heart break. Em Cause in the psycho world of Eden, this is the version where she is the snake. Living isn t easy, she messed things up completely, and no one can hold you down! We can build a spaceship and fly away. We can start all over, somewhere else. We can build a spaceship, come with me. We can start all over,

C

Close your eyes and follow me. C We can build a spaceship and fly away. We can start all over, somewhere else. We can build a spaceship, come with me, and if earth is calling, Close your eyes and let it be. D Things are gone, family too. He turned his back on everything he knew. He dug for gold and found a grave. He asked for freedom and became a slave, And she, keeps haunting him, and no one can hold you down! G#m F# Е В We can build a spaceship and fly away. We can start all over somewhere else. G#m В F# We can build a spaceship, come with me. We can start all over... G#m Е We can build a spaceship and fly away. We can start all over, somewhere else. G#m We can build a spaceship, come with me, and if earth is calling,

We can build a spaceship, come with me, and if earth is call $$\mathbf{E}$$ close your eyes and let it be.
