Drowning

Eb **Ab**
Maybe I m just living out the same old stories in and out
Eb **Ab**
But you know that don t make it easier
Eb **Ab**
Time will fly away with me if truth won t stop and let me see
Eb **Ab**
And tell me I am to believe that you and I should never be again
Ab
I m drowning
Eb **Bb** **Ab**
When the one you leave is the one thing you believe
Eb **Bb** **Ab**
You say goodbye when underneath s your one belief
Eb **Bb** **Ab** **Ab**
That love rules all, conquers all

Eb **Ab**
It s funny how the times that seem unbearable
Eb **Ab**
Are the ones that you don t ever want to end
Eb
And when your childhood slips away
Ab
You find you face a brand new day
Eb **Ab**
And you know it can t be the same again

Eb **Bb** **Ab**
Cause when you leaved you stayed in my memory
Eb **Bb** **Ab**
I m saying goodbye for now and have a drink for us
Ab **Bb** **Eb** **Eb** **Bb** **Ab**
And good luck and find your way

Eb **Ab**
Clawing out will sometimes seem so far away
Eb **Ab**
Never knowing if I ll live to see another day
Eb **Bb** **Ab**
Never seem to find out what to do
Ab **Bb** **Ab**
No one seems to tell you
Eb **Ab**
Cause you re drowning
