

**Falling**

**Missy Higgins**

For the piano:

**Amaj7** **B**

Don't say what you're about to say

**Amaj7** **B**

Believe me, you are my fate

**Amaj7** **B** **Amaj7**

And I believe you'll find a way

**B** **Amaj7** **B**

or will you keep on falling until you reach the ground?

**Amaj7** **B**

Of your lonely mind will you ever find yourself again?

**Amaj7** **B**

And will you keep on dying until you've finally found

**Amaj7** **B** **Amaj7**

**B**  
a better place where you find you will not wake up again?

**E9** **E**

Cause what you see is crystal wall

**E9** **E**

what you breathe is silver air

**B4** **B** **B4** **B**

but weigh this moment with a future of your dreams no longer there

**E9** **E**

What you'll see is burning black

**E9** **E**

and what'll you breathe is empty air

**B4** **B** **B4** **B** **A B C#m**

so way this moment with a future of your dreams no longer there...

**E9 E x2 B4 B x2**
