Bbm C# G# F# Bbm G# F#
```
                Bbm        C#
You cross the room to me
      G#             F#       Bbm          C#    F#
put a little bit of paper in my hand then leave
             Bbm        C#
and as the door goes bang
         G#          F#                Bbm         C#    F#
there s a little bit inside me that hopes it is blank
```

        Bbm    C#      G#
