No man, Nemo Nobody
Colourful mind, that once said to me
              Am
We are wild at heart, young and free to be
No man, Nemo Nobody
Kind in words, that inspired me
             Αm
Living in our dreams, refraction of memories
And hoping that in time, the juice was worth the squeeze
Not hard to please
We give, we take
            Am
Mistakes are made, do not rewind
         C
The weight of the world, made us colorblind
Young and old, he closed his eyes
Living life, that never dies
           Am
Only in our minds do we create what we see
What we wanna see
           C
We give, we take
            Αm
Mistakes are made, do not rewind
                 C
The weight of the world, made us colorblind
We give, we take
            Am
Mistakes are made, do not rewind
