This song and You Won't Relent are kinda one long song. However, this song is pretty easy, with just three chords. It starts off with the same chords as You Won't Relent, (**C#m**, **E**, **A**, **F#m**) then goes **A** cappella for **A** minute, then kicks in with these chords.

Verse 1:

A **E B A** **E B**
All-consuming fire You're our heart's desire.
A **E B** **A** **E B**
Living flame of love come baptize us, come baptize us.

Verse 2:

A **E** **B**
Let us fall more in love with You.

Bridge:
