

Remember
Misty Miller

Sometimes it does a weird thing and moves your chords but you should be able to feel where the chord should change....

Remember
Misty Miller

Intro: **C**////|**G**////|**Am**////|**F**////|

C **G**
Do you remember me? I was the girl about five foot three
Am **F**
Do you remember my eyes? Blue, blue as the skies
C **G**
Do you remember my dress? The blue one with the white flowers
Am **F**
But it got all wet 'cause of the April showers

C **G**
I look a little different than before, now I am five foot four
Am **F**
And my hair's no longer pink, I washed that color down the sink
C **G**
I've got a few more things pierced, and I think they look well fierce
Am **F**
And once day I hope you'll see, and they will make you love me

C **G** **F** **G**
Do you remember? Cause I remember
F **G** **F** **G**
All the nights wishing that we were kissing
C **G** **F** **G**
Do you remember? Cause I remember
F **G** **F** **G**
All the nights wishing that we were kissing

C **G**
It's been a while and I learned new tricks and now I'm almost five foot six
Am **F**
Wondering just where you are, could you really be that far
C **G**
Maybe if you saw me today, you'd see me in a different way
Am **F**
See me in another light and love me whatever my height

C **G** **F** **G**
Do you remember? Cause I remember
F **G** **F** **G**
