

**She Fills The Spaces**  
**Misty's Big Adventure**

[Intro]

**D G D G D G**

**D G D G D G D G D G**

[Verse 1]

**G** **C**  
She fills the spaces in my mind

**G** **C**  
She fills the spaces on my mind

**Am**  
And it s hard for you to know

**G**  
It s hard for you to know

**G** **C**  
But there are words inside my head

**G** **C**  
That I have thought but never said

**Am**  
And it s hard for you to know

**G**  
It s hard for me to know

[Chorus]

**D** **G**  
That every word I say is a lead balloon

**D** **G**  
Forms a multi-coloured carpet on the floor of the room

**D** **G**  
By the look in your eye you ll be leaving soon

**D** **G**  
And there s nothing I can do but say goodbye

[Verse 2]

**G** **C**  
She s been to places in my mind

**G** **C**  
That no one has been for quite some time

**Am**  
And she s there when I feel low

**G**  
She s there when I feel low

**C**  
So tell me now what can I do

**G** **C**

To mend a heart that misses you

**Am**

Cos it s hard for you to know

**G**

As it s hard for me to know

[Chorus]

**D**

**G**

That every word I say is a lead balloon

**D**

**G**

Forms a multi-coloured carpet on the floor of the room

**D**

**G**

By the look in your eye you ll be leaving soon

**D**

**G**

And there s nothing I can do but say goodbye (but it s alright, yes it s OK)

[Verse 3]

**G**

Ah Ah, she fills the space of my mind

**G**

Ah Ah, she fills the space of my mind

[Outro]

**D G D G D G D G**

[Chorus]

**D**

**G**

That every word I say is a lead balloon

**D**

**G**

Forms a multi-coloured carpet on the floor of the room

**D**

**G**

By the look in your eye you ll be leaving soon

**D**

**G**

And there s nothing I can do but say goodbye, bye bye
