

My Virtual Love
Mitch Colin

Intro: **A E B7 A E B7**

E

This will be another night that I spend

With no cuddle all by myself

F#m

Waiting here for you to contact me

A

This is one more night of sadness

B7

My life without you is darkness

E

With no warm and tender shine that s in your eyes

A

You went without telling me you ll be back

Fifteen days have gone with no word

E

I keep on missing you with every day

F#m

My life has been filled with joyous moments

B7

I still have in our old pictures

E

E7

That you left here just to torment me

A

Answer your mobile cos I just get your voicemail

E

You must know that this man is in love can t you tell

F#m

B7

Let me hear your voice once more please don t say goodbye

E

E7

I remember moments between you and I

A

All my e-mails that you read and didn t ignore

E

Never were deleted though your interest was poor

F#m

A

Please text me your answer, do not fear for the future

B7

E

What has gone has gone
