Song: The In Crowd
Artist: Mitchel Musso
Album: Mitchel Musso
Capo: 1st fret

D
Spin away the combination for the last time

D
Say goodbye to this year

D
I wish I could avoid the empty

D
Summer days that await me.

Bm
They ll fake a smile goodbye

Bm
celebrating their new freedom

D
I sit alone on the couch

G
Wondering why

A **G**
I wonder what its like to have it all

A **Bm**
To never be afraid that I would fall

A **G**
But I don t think Ive ever known a time

A **D**
That I was part of the in crowd

D
Here we go another day another disgrace

D
Fall flat on my face

D
I wish I had a bunch of money

D
Catch a plane head out west

Bm
Still run and play around

Bm
All full of the fans and freedom

D
I sit alone on the couch

G

Wondering why

A **G**
I wonder what its like to have it all

That I was part of the in crowd

Bm **D** **Bm**
Doesn t anyone here live an original life

what did you surrender to be on the inside,
