Intro:

E G# A B E
You don't know why I say these things, but it's ok
G# A B E
I'm just tired, and stressed over back in the day
G# A B
She said don't you ever miss those days?
E G# A B
I just miss those records shops, and the nights I got to stay, but it's ok

A B E
It's what I need
Don't forget me
A B E
You fall in love, too easily
A B E
So I'll just forget the world
A B E
So I'll just forget the world

E G# A B
I surrender, this feeling of regret
E G# A B
Cause I really think I'd rather look ahead and just forget
E G# A B
I'm just full of problems that make you feel alone
E G# A B
And you know I like to talk, but I'll just take the long way home

[there's some lead part here I haven't figured out yet]

E G# A B
It's not hard to remind yourself why you tried
E G# A B
This open road and a song to sit by your side
E G# A B E G#
I'm just scared of the doubt, but I won't let it last,
A B
Yeah I'll forget about that

A B E
It's what I need
A
Don't forget me
B E

You fall in love, too easily
