Intro:

F **A** **Bb** **C** **F**
You don t know why I say these things, but it s ok
 A **Bb** **C** **F**
I m just tired, and stressed over back in the day
 A **Bb** **C**
She said don t you ever miss those days?
 F **A** **Bb** **C**
I just miss those records shops, and the nights I got to stay, but it s ok

Bb **C** **F**
It s what I need
Don t forget me
Bb **C** **F**
You fall in love, too easily
Bb **C** **F**
So I ll just forget the world
Bb **C** **F**
So I ll just forget the world

F **A** **Bb** **C**
I surrender, this feeling of regret
 F **A** **Bb** **C**
Cause I really think I d rather look ahead and just forget
 F **A** **Bb** **C**
I m just full of problems that make you feel alone
 F **A** **Bb** **C**
And you know I like to talk, but I ll just take the long way home

[there s some lead part here I haven t figured out yet]

F **A** **Bb** **C**
It s not hard to remind yourself why you tried
F **A** **Bb** **C**
This open road and a song to sit by your side
F **A** **Bb** **C** **F** **A**
I m just scared of the doubt, but I wont let it last,
 Bb **C**
Yeah I ll forget about that

Bb **C** **F**
It s what I need
 Bb
Don t forget me
 C **F**

You fall in love, too easily
Bb **C** **F**
So I ll just forget the world
Bb **C** **F**
So I ll just forget the world
