Maps Mixtapes

Intro:

F# вb C# F# в You don t know why I say these things, but it s ok C# вb в F# I m just tired, and stressed over back in the day вb в C# She said don t you ever miss those days? F# вb C# в I just miss those records shops, and the nights I got to stay, but it s ok

C# в F# It s what I need Don t forget me в C# F# You fall in love, too easily C# F# в So I ll just forget the world в C# F# So I ll just forget the world

F# Bb в C# I surrender, this feeling of regret F# вb C# в Cause I really think I d rather look ahead and just forget C# F# Bb в I m just full of problems that make you feel alone Р# вb в C# And you know I like to talk, but I ll just take the long way home [there s some lead part here I haven t figured out yet] в F# вb C# It s not hard to remind yourself why you tried вb C# F# в This open road and a song to sit by your side F# вb в C# F# вb I m just scared of the doubt, but I wont let it last, в C# Yeah I ll forget about that

B C# F# It s what I need B Don t forget me C# F# You fall in love, too easily B C# F# So I ll just forget the world B C# F# So I ll just forget the world
