

Baby Girl
Miya Folick

[Verse 1]

A **A**
Baby girl, you are real
G **E**
The first truth that I've ever had
G
You always know when I am sad
E **D**
You give, you give
D **A**
You always call me on my shit

[Verse 2]

A **A**
Baby girl, you are real
G **E**
You talk like it's a screaming match
G
You always fucking drown me out
E **D**
You know, but you know
D **A**
You know you're never alone

[Chorus]

A **A**
How I want, how I want
F **C G E**
To see you happy
A **A**
How I want, how I want
F **A**
To see you smile

[Verse 3]

N.C **A**
Baby girl, dark of night
C
How you glitter in the camera lens
A **G** **F** **D**
No one else could wear that dress quite right
A **G** **F** **D**
No one else could wear that dress quite right
