### [Verse 1]

**G\*** **D\***  
Bathe myself in the afternoon  
**Am\*** **Em\***  
Won't get out until the water's cold and I am blue  
**G\*** **D\***  
I see it, I'm killing doubts  
**Am\*** **Em\***  
So I just open up the door and I ring it out

### [Pre-Chorus]

**G D Am**  
Don't you get too far from yourself  
**Am7 Em**  
You're so hard on yourself  
**G D**  
Oh, you'll get through  
**Am Am7**  
Only hard when you say it's too hard

### [Chorus]

**G D**  
Colour in, colour in  
**Am Am7**  
Feeling empty outside of your outline  
**Em7 Em**  
You scratch at the door of the divine  
**G D**  
Within, colour in  
**Am Am7**  
You can't stand the greatness of sunshine  
**Em7 Em**  
You hide in the bones of a stock image
