

## Talking With Strangers

Miya Folick

**Am** **C**  
Today I talked to a semi-stranger  
**Em** **G**  
A girl that I sorta know  
**Am** **C**  
But every encounter at the corner grocery  
**Em** **G**  
Holds potential for our relationship to grow  
**Am** **C**  
And half of my brain was totally afraid  
**Em** **G**  
That she d hate me, never want to see me again  
**Am** **C**  
And half of my brain was equally afraid  
**Em** **G**  
That she d like me, want to be my friend

**Am** **C** **Em** **G**  
I am learning to love  
**Am** **C** **Em** **G**  
I am learning to let myself be loved  
**F** **Am** **G** **F**  
How did I miss this lesson when I was young?  
**F** **Am** **G** **F**

**Am** **C**  
Yesterday I was anxious and alone  
**Em** **G**  
So I called a friend to make me feel ok  
**Am**  
And for a moment I found myself  
**C**  
Angry at him for offering help  
**Em**  
When I should have just been grateful  
**G**  
For what he gave

**Am** **C** **Em** **G**  
I am learning to love  
**Am** **C** **Em** **G**

I am learning to let myself be loved
