to the place I was before

Whistle whistle G, B7, C, G, D, G, B7, C, D G в7 and every time I end up on the floor its always something I do D that keeps the lock on the door С в7 and there is no other way Em C if the faces on the page Em C could bring me back here every day Em C then I would have something to say Em but all my words have lost their sway Em C well I dont want to waste your time Em C by spitting out another line Em C G because youve heard it all before C Em G

so I wont chase that feeling anymore

End

G

C

but I wont chase that feeling anymore
