

Dusting Down The Stars
Mobile

Hey everyone, this is my first tab, I m 100% sure that these are the right chords. Enjoy it =)

Tuning: Half Step Down
Eb Bb Gb Db Ab Eb

Intro

Am F C

Verse 1

Am
I look outside from far above

F **C**
I watch you sleep and dream, dream out loud

Am
You say you wish that you could find

F
A guiding light, a guiding hand

C
A safer place to stand

Pre Chorus

F **G** **Em** **F**
We ve never been so close to be so far

F **G** **Em** **F**
There s millions of reasons, there is no way out

F **G** **C** **G**
Shall we give up so easy, shall we give up so easy

Chorus

F **C**
Here we are dusting down the stars

F **C**
Here we are dusting down the stars

F

C

Here we are dusting down the stars

Verse 2

Am F C

Am

Left by the roadside all alone

F

C

I turned to speak to you right there but you were gone

Am

You stood and cried and wondered why

F

You can't return from where we came

C

Why are we born to fade away?

Pre Chorus

F

G

Em

F

We've never been so close to be so far

F

G

Em

F

There's millions of reasons, there is no way out

F

G

C

G

Shall we give up so easy, shall we give up so easy

Chorus

F

C

Here we are dusting down the stars

F

C

Here we are dusting down the stars

F

As I stood outside all alone

C

Thought I could hear you coming back into the fold

Outro
