G#m

G#m **E** **B** **D#m**
Do you love to lay down on the street when rain falls down

G#m **E** **B** **D#m**
Drops are bouncing on your skin as we stomp around

E **B**
We don t know what s wrong

D#m
Or what s an alligator

E **B** **D#m**
We don t have the time to use the elevator

E **B** **D#m**
Are you going out tonight

G#m D#m E
To lay down here

G#m

G#m **E** **B** **D#m**
Take the time and throw it far away from you, from us

G#m **E** **B** **D#m**
Free your mind and fill it with some lightweight bouncing stuff

E **B**
We don t know what s wrong

D#m
Or what s an alligator

E **B** **D#m**
We don t have the time to use the elevator

E **B** **D#m**
Are you going out tonight
