

At Least We Tried

Moby

Am Dm
Oh my baby, don t cry
C G
Oh my babe, just say goodbye
Am Dm
Oh now baby, don t cry
C G
Oh my babe, at least we tried

At least we tried to make it
But in these days i m so confused
Oh my love, at least we had it
Let me hold on to you

F C G
 At least we tried but we lost it
F C G
 I will remember
F C G
 How you stood there and you smiled
F C G
 And you smile babe, with me
