

Dream About Me
Moby

D **A**
Babe, ooh dream about me
G **D**
Lie, on the phone to me
D **A**
Tell me no truth, if it is bad
G
There s enough in my life
D
To make me so sad

Just dream about-
Em **G** **D**
Colour fills our lives

Just dream about-
Em **G** **D**
Someone else tonight

D **A**
And babe, ooh dream about me
G **D**
On the phone, talking quietly
D
I want to be yours
A
I want you be mine
G **D**
Against red skies, through all time

Em
So dream about, us
G **D**
When we re old
D
Just dream about-
Em **G** **D**
How I will let go

Em **G** **D**
and...
Em **G** **D**
hand...

D **A**
Babe, ooh dream about me

G **D**
Lie, on the phone to me
D **A**
Tell me no truth, if it is bad
G
There s enough in my life
D
To make me so sad

D
Just dream about-
Em **G** **D**
Colour fills our lives

D
Just dream about-
Em **G** **D**
Someone else tonight

D
Just dream about-
Em **G** **D**
Colour fills our song

D
Just dream about-
Em **G** **D**
How I will let go...
