

## Extreme Ways

Moby

[Intro:] **Bm A Em Bm**

**Bm**

Extreme ways are back again  
Extreme places I didn t know

**A**

I broke everything new again  
Everything that I d owned

**Em**

I threw it out the windows, came along  
Extreme ways I know

**Bm**

Will part the colors of my sea  
Perfect color me

Extreme ways that help me  
Help me out late at night  
Extreme places I had gone  
But never seen any light  
Dirty basements, dirty noise  
Dirty places coming through  
Extreme worlds alone  
Did you ever like it planned

**Em**

**D**

I won t stand in line for this

**Em**

**D**

There s always room in life for this

**Bm**

Oh baby, oh baby

**A**

Then it fell apart, it fell apart

**Em**

Oh baby, oh baby

**Bm**

Then it fell apart, it fell apart

**Bm**

Oh baby, oh baby

**A**

Then it fell apart, it fell apart

**Em**

Oh baby, oh baby

**Bm**

Like it always does, always does

Extreme sounds that told me

They helped me down every night  
I didn't have much to say  
I didn't get above the light  
I closed my eyes and closed myself  
And closed my world and never opened  
Up to anything  
That could get me along

I had to close down everything  
I had to close down my mind  
Too many things that caught me  
Too much can make you blind  
I've seen so much in so many places  
So many heartaches, so many faces  
So many dirty things  
You couldn't even believe

I won't stand in line for this  
It's always good in life for this
