

Forever

Moby

D

Two simple places

We wanted to go

G

Two simple things

You wanted to know

D

Everything around

I could not see

G

I wish I d known

How much you loved me

D

Oh,

G

we could feel this way forever

[2x]

I watched the sun,

cause it touches you while you sleep

You gave me something,

that I wanted to keep

I see you smile you smile like a little child

And hold you crying when it all goes wild

Oh

We could feel this way forever

[6x]
